Subject: Case Study Abstracts
Attachments: Formaldehyde Workshop Case Study Abstracts.docx

Hi all,

Attached are the case study abstracts for your review. The plan is to follow up with Kenny and Tom individually, instead of through a formal Session Planning Call.

We are still waiting on Vince's availability to schedule a planning call for the wrap-up session. Could you put us in touch with his admin or someone else who might have access to his calendar?

Thank you,
Jessica
